LESSONS FROM ISRAK AND MIKRAJ JUSTICE AND MERCY OF ALLAH SWT

- Last week, we heard about the lessons from the miraculous journey of Prophet s.a.w. Isra' and Mikraj. Today, let's appreciate the mercy and justice of Allah s.w.t. by looking at what the Prophet s.a.w. had seen in that blessed journey.
- The first lesson from the journey of Mikraj is that Allah prepares endless rewards for those who do good. Allah has shown how one plants a seed and the seed grows into seven branches, with each branch bearing a hundred fruits.
- In the journey of Isra' and Mikraj, Allah s.w.t. showed his Prophet s.a.w. various painful punishments, in order for his ummah to take heed and be reminded.
- One of the types of punishments shown is that prepared for those who neglect their prayers. They will endlessly hit their heads and break them.
- Hopefully, when we fulfill all our duties, and we perform our prayers, and we remain patient and resilient in facing challenges, Insha Allah, we will become among those who will succeed both in this world and the hereafter, Amin Ya Rabbal Aalamin.
