13 MARCH 2009

### THE PROPHET'S GUIDANCE in OVERCOMING CHALLENGES

- The Prophet s.a.w is a leader that always strives and sacrifices for the sake of his ummah.
- The Prophet s.a.w teaches his ummah to be always positive in facing life challenges and always placing their faith in Allah s.w.t .
- For every challenge, there is a solution and it is upon the ummah to strive for solutions through knowledge and skills.
- Weakness, laziness, fear and carelessness should not reside in a Muslim because this is the best ummah that would show the best of example.
- May Allah s.w.t. help us and place us firmly on this path of the Prophet s.a.w. Ameen.
