APPRECIATING THE VALUE of IBADAH and UPLIFTING ITS QUALITY

- This is the month of Syabaan, a month which the Prophet s.a.w. had always intensified his acts of worship to Allah s.w.t.
- Have we asked ourselves, why are there such seasons in Islam? Well, because Allah s.w.t., with His mercy and kindness, gives us opportunities to increase our devotion to Him, and to improve on the quality of these acts of devotion.
- Let us continue with all the acts of worship that we have been doing, but now, we should also intensify and multiply them further.
- This month of Syabaan is a very appropriate time for us to reflect on how best we can improve the quality of our ibadah and our devotion to Allah. Because Ramadan will ensue, and Ramadan requires more intensity in our ibadah to Allah.
- InshaAllah, with that, we will be able to inculcate in us excellent moral character and hopefully, we will succeed both in this world and the hereafter Amin.
