20 MARCH 2009

THE SUNNAH of THE PROPHET SAW in COMMUNITY LIFE

- The Prophet brought the winds of change to the world, from the darkness of injustice to the light of justice.
- The Prophet s.a.w. placed everyone at their right place and status, in a fair and unprejudiced manner.
- In spreading good, a Muslim needs to be aware and sensitive of his/her environment and conditions and developments around him/her.
- To spread good, a Muslim needs to hold on strongly to the truth and to the principles of justice and mercy.
- Hopefully, when we follow the footsteps of the Prophet, we will gain the love of Allah and get closer to Him Amin Ya Rabbal `alamin.
