6 MARCH 2009

FOLLOWING the FOOTSTEPS of the PROPHET MUHAMMAD SAW

- Truly, the month of Rabiulawal brings with it freshness and fragrance, as this is the month of the birth of the Prophet Muhammad s.a.w. This is the moment which opened a new chapter for human success and happiness.
- The whole life of the Prophet s.a.w., from the beginning to the end, bears testimony to this mission. He had gone through all kinds of situation, because his life is an example and lesson for us.
- As followers who love and want to follow him, we need to truly understand his life. Not only by reading history, facts and events, about the wars and treaties, or about his rituals and worship. The life of the Prophet s.a.w. is more than just that.
- The Prophet s.a.w also guided us with mercy and compassion. He took cognisance of the conditions of his ummah, that there are the strong and the weak, the rich and the poor, the healthy and the sick.
- May Allah s.w.t. help us and place us firmly on this path of the Prophet s.a.w. Ameen.
