STRENGTHENING OUR RELATIONSHIP WITH ALLAH THROUGH GOOD DEEDS

- Today is the first day of Rejab. The faithful (mukminin) will seize this opportunity to prepare themselves for the most blessed month of Ramadhan. They will begin to cleanse their souls and hearts from today, so as to be prepared to be enlightened and blessed by Allah in the month of Ramadhan.
- The Holy Prophet s.a.w would ask Allah s.w.t. with the following prayer in the month of Rejab: “O Allah! Bless us in the months of Rejab and Syaaban, and let us meet the month of Ramadhan”.
- But more importantly, beyond these rewards, there are important lessons to be had from these special months of purifying our souls and hearts.
- First, is that these months provide us with the golden opportunity to improve and strengthen our relationship with Allah s.w.t., the Al-Mighty, to Him belong the kingdoms of heaven and earth, and to Him is all glory and power.
- Secondly, all good deeds will not only purify our souls and strengthen our spirituality, but will also beautify our actions and character. A truly good act will change us into respectful human beings.
